

15th Annual

South East Alberta Regional Skills Competition Trades & Technology Expo

Tuesday, April 28th

Invitation to participate

The *South Eastern Alberta Partners for Youth Career Development* (SEAPYCD) in association with *Medicine Hat College* are proud to present the 15th Annual South East Alberta Regional Skills Competition and Trades & Technology Expo.

This annual, Olympic-style, skills competition is organized at regional, provincial, national and international levels. Students complete projects designed by provincial committees in their selected fields, and are judged by a panel of local experts. The top three contestants will be provided the opportunity to compete at the *Provincial Skills Competition* held this year in *Edmonton, Alberta*.

The categories offered this year are:

Automotive Service	Baking	Cabinetry	Carpentry
Culinary Arts	Jr. & Int. Hairstyling	Video Production	Welding

Trades & Technology Expo

The aim of this event is to provide *high school students* and the *general public* with opportunity to experience trades and technology related careers, and to network with local participating organizations. Local industries, along with MHC Trades and Sciences programs will have interactive displays and/or information booths. Guests can view the competition events and participate in the Expo from **9 am to 3 pm**. This year we are *expecting over 1000 guests*.

The Steering Committee is looking for your support as a participant in the Trades & Technology Expo or with cash and/or in-kind donations necessary for prizes, contest materials and event supplies. All donations will be advertised in the event program, recognized online with a link to your company website, along with social media feeds throughout the day of the event.

Please return the attached *Exhibitor Registration & Sponsorship* forms by March 15, 2020.
