

**INVITATION TO PARTICIPATE
14TH ANNUAL
SOUTH EAST ALBERTA REGIONAL SKILLS COMPETITION
& TRADES & TECHNOLOGY EXPO 2019
TUESDAY, APRIL 30, 2019**

The South Eastern Alberta Partners for Youth Career Development (SEAPYCD) and the Medicine Hat College are proud to present the 14th Annual South East Alberta Regional Skills Competition and Trades and Technology Expo.

The South Eastern Alberta Skills Competition is an annual Olympic-style skills competition organized at the regional, provincial, national and international level. Students complete a project that has been designed by a provincial committee in that field and are then judged by a panel of local experts. The top three contestants will be provided the opportunity to compete at the Provincial Skills Competition held in Edmonton, AB.

The contests taking place this year are:

Automotive Service	Baking
Cabinetry	Jr & Intermediate Hairstyling
Carpentry	Video Production
Culinary Arts	Welding

The Trades and Technology Expo aims to provide high school students and the general public with the opportunity to experience trades and technology related careers, and network with local participating organizations. Local industries and MHC Trades and Sciences programs will have interactive displays and/or information booths. Guests can view the competition event and participate in the Expo between 9 am and 3 pm. This year we are expecting over 1000 guests.

The Steering Committee is looking for your participation as a participant in the Trades & Technology Expo or with cash and/or in-kind donations needed for prizes, contest materials and event supplies. All donations will be advertised in the event program and website with a link to your company website along with social media feeds throughout the day of the event.

**PLEASE RETURN THE ATTACHED EXHIBITOR REGISTRATION & SPONSORSHIP FORMS BY
MARCH 15, 2019.**
